PROFESSIONAL ERRORS & OMISSIONS LIABILITY COMMERCIAL GENERAL LIABILITY

The Canadian Art Therapy Association continues to offer a master Professional Liability Insurance Program for all members. The policy protects members from lawsuits for damages claimed by a third party, resulting from a professional error or omission or negligent act, committed during the course of their activities as an “Art Therapist”.

As an option, Commercial General Liability is available to protect members from “slip & fall” or other business type liabilities (excluding Professional Liability) to clients or other Third Parties.

The policy also protects the Canadian Art Therapy Association “vicariously” for claims resulting from professional services rendered by a member insured under the program.
